### Give yourself a financial bail-out with one of these terrific Burris value-added packages

Not only will you be getting a legendary Fullfield II™ Ballistic Plex™ riflescope (you know you've always wanted one), but, for the same dollars, you'll walk away with a sweet bonus. Any of 'em would make a super gift!

Whichever economic recovery package appeals to you, each includes time-tested Fullfield II performance features: Fully multicoated lenses, waterproof and fogproof construction, positive steel-on-steel adjustments and the incomparable Burris Forever Warranty. And all three Fullfield II scopes include the popular Ballistic Plex™ reticle to eliminate holdover guesstimation.

These unique packages will move fast so get down to your participating Burris dealer before they're all gone.
