# 2026 NEW PRODUCT

## NEW VERACITY SERIES

Page 10

For 2026, Burris proudly introduces the next generation of Veracity riflescopes—a complete redesign that elevates this proven platform with enhanced optical performance, refined ergonomics, and innovative new features to help hunters find success in any environment.

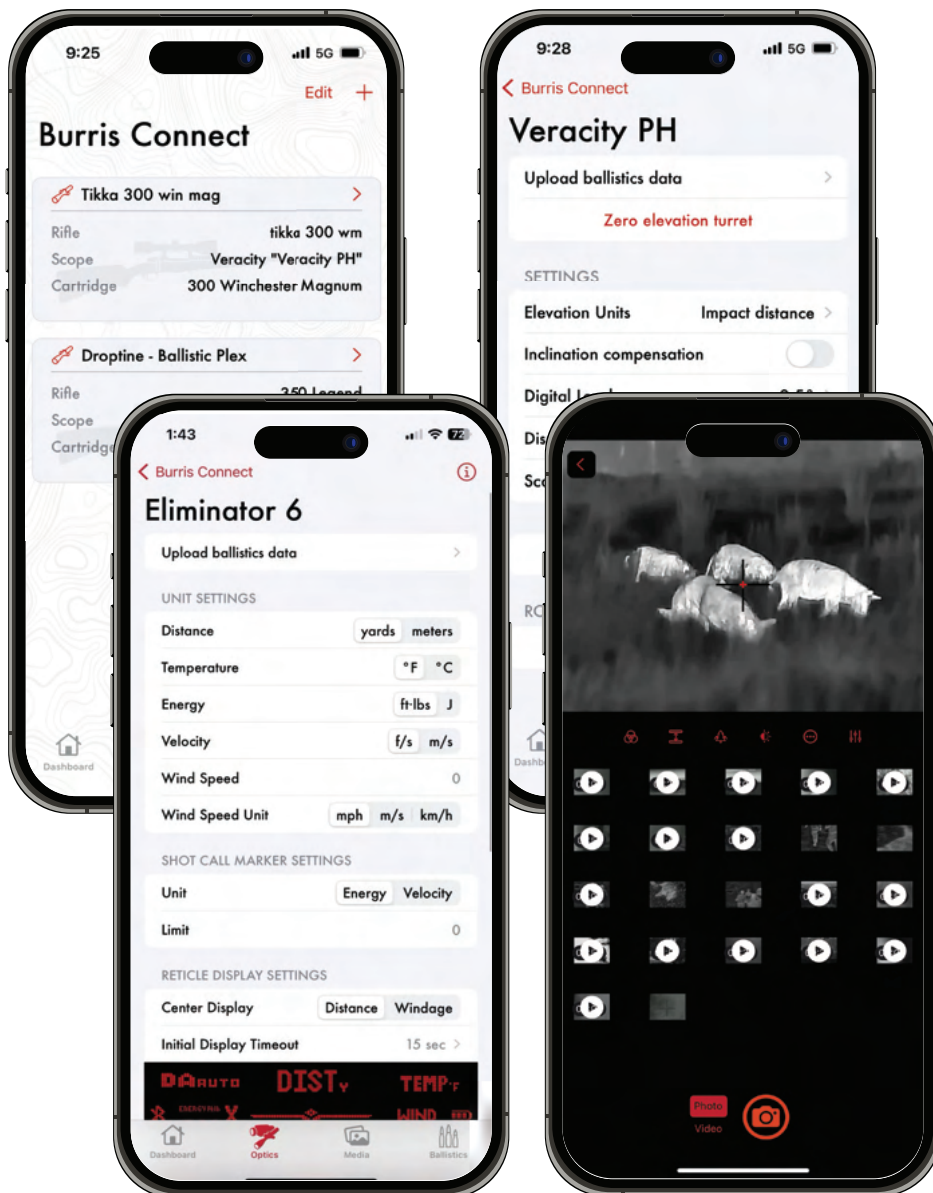

# BURRISCONNECT

## MOBILE APP

A ballistics powerhouse at your fingertips, the BurrisConnect app serves as the solution for operating PEK equipped optics, live media sharing on Burris Thermal, and the go-to ballistics tool for every shooter. BurrisConnect offers users the latest in bullet data to build DOPE cards, reticle maps, Eliminator data tables, and custom rifle profiles. From seasoned long-range competition enthusiasts to those just getting their first rifle zeroed. The ever-evolving BurrisConnect app gives you everything you need to get dialed in.

Control and program products such as the Veracity PH, Eliminator 6, XTRPS, and Thermal Optic line.

- Store Rifle profiles and ballistic data
- Adjust connected thermal device settings in real time via WI-FI
- Record video and capture images remotely with your thermal device.
- Build custom DOPE cards
- Reticle mapping for all Burris riflescopes
- Build Eliminator data tables

# HUNTING

# ELIMINATOR™ 6

## RIFLESCOPES

Driven by an elite hunter mindset, the guiding principles of 'Train Far. Hunt Responsibly. Don't Miss.' drove Burris engineers to integrate the most advanced ranging, environmental monitoring, optical performance, and ballistics technology into a single, unified platform.

The Eliminator 6 gives hunters the utmost confidence in their ability to make the right shot under the toughest conditions, with an entirely fresh, more streamlined appearance. When using the Eliminator 6, simply range your target, hold the illuminated aiming point on your target, and pull the trigger.

EXIT PUPILS	Low High	10.8 mm 2.5 mm
DIOPTER SETTING		+2 to -3
RETICLE PLANE		Front
RETICLE		RC-MOA
RETICLE ILLUMINATION		Rotary Dial, 4 Levels
BATTERY		CR 2450 x2
LENGTH		15 in.
WEIGHT		29.1 oz
ELEVATION TURRET MARKING GRADUATIONS		¼ MOA
ELEVATION TURRET DIGITAL RESOLUTION		1/10 MOA
TOTAL ELEVATION ADJUSTMENT RANGE*		80 MOA
ELEVATION TURRET TRAVEL LIMIT**		33.8 MOA
WINDAGE TURRET GRADUATIONS		¼ MOA
TOTAL WINDAGE ADJUSTMENT RANGE*		45 MOA
WINDAGE TURRET TRAVEL LIMIT**		24 MOA
PARALLAX FOCUS		Side Focus
PARALLAX/FOCUS RANGE		25 yd to Infinity
OPERATING TEMPERATURE		-20 °F to +140 °F
STORAGE TEMPERATURE		-40 °F to +160 °F

The **VERACITY PH** features a built-in heads-up display and provides customizable ballistic data, including dialed elevation distance in yards, meters, or MOA, as well as rifle cant, range-compensated wind value, and optic battery level in real time.

**RC-MOA RETICLE**

- BLUETOOTH TO BURRISCONNECT
- PEK — PROGRAMMABLE ELEVATION KNOB
- HUD — HEADS UP DISPLAY
- ZERO TURN STOP ADJUSTMENT KNOBS
- FRONT FOCAL PLANE (FFP) RETICLE
- OPTIC OF THE YEAR NRA AMERICAN HUNTER
- GOLDEN BULLSEYE AWARD 2024

\* Example: 50-MOA total adjustment range equates to roughly 25 MOA in either direction from center.

\*\* Rotation-limited dial: this is the amount of available travel after zeroing the turret.

# VERACITY™ RIFLESCOPES

Veracity means truth and accuracy. The Veracity riflescope line was built to deliver a premium experience and absolute confidence when the shot matters most. With proven reliability, class leading optical performance, and a purpose-driven design, this scope family has earned its place as a trusted rifle optic in the field and at the range. The latest generation pushes that legacy further with expanded configurations, a more rugged and compact design, giving shooters a precise, dependable scope no matter the conditions.

The **SIGNATURE HD** features a 5x zoom system with premium, fully multi-coated glass for crisp, bright images and new push/pull locking turrets. It's available with a wide choice of front and rear focal plane reticles. Most models include a side parallax adjustment and zero stop feature on all target knobs.

# FULLFIELD™ E1

## RIFLESCOPES

If you had to pick just one scope that defines our DNA, it's the Fullfield. The original Fullfield and Fullfield E1 represent 50 years of performance, reliability, and countless filled tags. The Burris Fullfield E1™ continues that legacy. We've fine-tuned the reticles for added accuracy, and the updated the power ring zoom to make it easier to turn and keep the lens covers from turning. But we haven't forgotten any of the features that made this scope line so popular.

The **DROPTINE** features...

- Parallax adjustment for improved accuracy at long distances.
- Quality precision-ground lenses are larger than those of comparable scopes for better light collection.
- Index-matched, Hi-Lume® multicoating glass aids in low light performance and glare reduction, increasing your success rate.
- Durable, integrated eyepiece design has no-slip grip for easy adjustment in the field.
- Positive steel-on-steel adjustments ensure repeatable accuracy.
- Waterproof
- Nitrogen-filled scope tubes prevent internal fogging, even in cold and rain.
- Stress-free, 1-piece, solid outer tube is durable enough to withstand shock and vibrations of even the heaviest recoiling calibers.
- Features the Ballistic Plex™ reticle, the most simple, effective, and elegant trajectory-compensating reticle for hunting.

Ballistic Plex™

Our slim, compact optics are specifically designed to match scout rifles, with low- to-medium magnification for close- to mid-range targets. When placed well forward on the rifle, you'll maintain perfect focus on moving and stationary targets. When that happens, we all know what goes down next.

## NEW

### XTR PS 5.5-30X56 MM

ITEM # 201230 | MSRP \$2,760

Developed with competitive and long-range tactical shooters in mind, the new XTR PS combines our micro-adjustable PĒK (Programmable Elevation Knob) technology with our industry leading XTR precision riflescope to provide rapid and accurate bullet drop compensation at distances far exceeding traditional competition and tactical optics.

Built on a rugged, one-piece 34mm main tube chassis, and powered by the BurrisConnect ballistics app, the XTR PS sets a new performance benchmark.

XTR PS users can dial their point-of-impact up to 19 MILS in a single rotation down to an unparalleled 1/30 MIL resolution. Additional features including a digital level, competition focused countdown timer, and over 20 density altitude settings onboard the scope make this optic truly one of a kind.

## XTR PRO SERIES FEATURES

### • QUICK DETACH RACE DIAL

The Burris Race Dial elevation turret features a whiteboard-style coating. Shooters can use a dry/wet erase marker to mark and identify each target's click value on a given stage. Users can easily swap between two new Quick Detach turret caps, including the Burris QD Race Dial and standard black QD Dial, by squeezing two release buttons located on the sides of each cap.

### • TOOLLESS ZERO CLICK STOP

Open the Cam Lever on the top of the Tool-less Zero Click Stop turret to quickly change zero.

### • ADVANCED WINDAGE & ELEVATION ADJUSTMENT

Accurate and repeatable reticle adjustments match the measurement system of the reticle to make the windage and elevation adjustments fast and easy. The scope also comes with a cap for the windage knob.

### • THROW LEVER

The optional Burris throw lever provides a simple mechanical advantage for faster and easier magnification changes.

### • SWITCH ILLUMINATION COLORS

All reticles include red and green illumination settings with 11 levels of brightness each. Conveniently located off positions separate each brightness setting.

- 1x magnification allows both-eyes-open shooting, for enhanced awareness and target acquisition
- Parallax-free for better accuracy
- Mounts to almost anything—including handguns, rifles, and shotguns—using Burris mounting systems
- Windage and elevation adjustments make fine-tuning easy
- Index-matched, Hi-Lume® multicoating provides low-light performance and glare elimination
- Nitrogen-filled and waterproof tubes prevent internal fogging in cold and rain
- Shockproof design stands up to years of punishing recoil
- Comes with our Burris Forever Warranty™

## BURRIS SIGNATURE WARRANTY

Same Legendary Coverage, Now Global  
Burris's trusted Forever warranty now extends worldwide as The Signature Warranty, delivering the same protection now available to our international customers.

## SIGNATURE WARRANTY

BURRIS OPTICS

### UNITED STATES CUSTOMERS

Thank you for choosing Burris. You can be confident that the optic you purchased is built to the most exacting standards. You can count on Burris to perform every time you use it. We're so confident in the craftsmanship of our optics products that we back them with a legacy coverage. Please review our warranty terms at [https:// www.burrisoptics.com/support/warranty](https://www.burrisoptics.com/support/warranty) or call 1-888-440-0244 for a copy.

### INTERNATIONAL CUSTOMERS

For purchases made outside the United States, Burris Optics nonthermal optics products are covered against defects in materials and workmanship. Warranty claims must be processed through the retailer or distributor where the product was purchased. Since warranty policies vary by country, customers should work directly with their dealer for resolution. To facilitate a smooth warranty process, customers should retain their proof of purchase and familiarize themselves with any additional country-specific warranty provisions that may apply. Burris is committed to upholding high-quality standards and customer satisfaction worldwide, ensuring that all eligible products receive the necessary service or replacement in accordance with local regulations.

For the fastest service regarding REPAIRS, WARRANTY SERVICE and PARTS register in our Support Portal. You must be registered and must have received a Return Authorization (RMA). Burris cannot be responsible for your riflescope until we physically receive it.

The illustrations, descriptions, and specifications in this brochure are intended as a general guide and are not binding. Burris reserves the right to make any changes deemed necessary to improve its products or to meet manufacturing or commercial requirements at any time without prior notice.
